DETAILED ACTION AND ALLOWANCE *mr*

1. Claims 26 – 29 have been examined and are allowed over the prior art of record.

2. Formal drawings filed on 10/11/99 have been objected by the examiner.

Corrected drawings are required by the Notice of drafts person's Patent Review (PTO 948) attached to paper mailed date 12/22/04.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

4. The prior art does not expressly teach or render obvious the invention as recited in independent claims 26 – 29, taken in the context of the claims as a whole, specific to determining a status of record based on accession number, and updating the database management in response to a determination of the status being existent for the accession number, and writing the type of event to a trace log as taught and claimed in the instant invention.

5. The Radiology system interfaces with the central dictation system and database management system are covered in Pinsky, US patent no. 5,469,353. Application

Art Unit: 2194

modules configured to interface with radiology or image data processing are covered by Cosie "An open medical imaging workstation architecture for platform-independent 3-D medical image processing and visualization". Updating the patient records is covered by Jachmans, US patent no. 5,146,439. However, the prior art does not provide motivation or evidence to combine such, so as to determine a status of record based on accession number, and updating the database management in response to a determination of the status being existent for the accession number, and writing the type of event to a trace log as taught and claimed in the instant invention.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuong N. Hoang whose telephone number is (571)272-3763. The examiner can normally be reached on Monday - Friday 9:00 am to 5:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, William Thomson can be reached on 571-272-3718. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
